DOMINION ORDERS IN COUNCIL.

[1519]

AT THE GOVERNMENT HOUSE AT OTTAWA,
 Tuesday, the 30th day of July, 1901.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL
 IN COUNCIL.

ON a report dated 18th July, 1901, from the Minister of the Interior, submitting that by Order in Council, dated 19th January, 1899, the Regulations governing the granting of yearly licences and permits to cut timber in Manitoba, the North-West Territories, and the Railway Belt in the Province of British Columbia, were amended so as to permit the owners of timber berths in the railway belt to sell the timber thereon to mill-owners, the Regulations having previously provided that the timber must be manufactured at the saw-mill of the licensee to be operated in connection with the berth. There is therefore no provision in the Regulations as they exist at present to prevent the exportation of logs cut on Dominion lands in the Railway Belt in the Province of British Columbia.

The Minister therefore recommends that the Regulations be again amended so as to provide that all timber cut on berths in the Railway Belt in British Columbia shall be manufactured within the limits of the Dominion.

The Committee submit the same for His Excellency's approval.

PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO
 PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the com-

munity, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10½ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A (*see Journals, 1900, page 175*) a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

VANCOUVER CITY BY-LAWS.

BY-LAW No. 393.

A By-Law to Authorise and Regulate the Sale of Lands for Taxes in Arrears.

WHEREAS it is expedient that all land or improvements or real property within the limits of the Corporation of the City of Vancouver, upon which municipal taxes are due and have been in arrears since the 31st of December, 1898, shall be sold at public auction, and the proceeds applied to the reduction of such taxes:

Be it therefore and it is hereby enacted by the Mayor and Council of the Corporation of the City of Vancouver, in open meeting assembled, as follows:—

1. The Treasurer of the said Corporation is hereby authorised and directed whenever any unpaid taxes on any land or improvements or real property have been due and in arrears since the 31st day of December, 1898, to submit to the Mayor of the said Corporation a list, in duplicate, of all lands or improvements or real property upon or in respect of which taxes shall have been unpaid and in arrears since the 31st day of December, 1898, and in such list shall be scheduled in separate columns—(1) The amount of taxes for which the property is liable to be sold under this by law; (2) Cost of advertising and contingent expenses of sale; (3) The total amount of taxes, interest and costs for which the property is liable to be sold; and the Mayor shall then authenticate such list by affixing thereto the seal of the Corporation and his signature, and one of such lists shall be deposited with the Clerk of the Council, and the other shall be retained by the Treasurer, with a warrant thereto annexed under the hand of the Mayor and the seal of the Corporation, commanding him to levy upon the land or improvements or real property for each total amount of arrears of taxes, interest and costs thereon as therein specified.

2. The Treasurer shall prepare a copy of the list of lands or improvements or real property to be sold, and shall include therein, in a separate column, a statement of the proportionate costs chargeable on each lot or section, or part of lot or section, for advertising and contingent expenses of sale authorised by this by-law to be paid to him, and shall cause a copy of such list to be published once a week for a period of one month preceding the date of such intended sale in a newspaper circulated in the said City.

3. The said advertisement shall contain a notification that unless the said arrears, interest and costs are sooner paid the Treasurer will proceed to sell by public auction the lands or improvements or real property mentioned in said schedule for taxes, on the 5th day of December, 1901, at 12 o'clock noon, at the Council Chamber of the said Corporation, at Vancouver, British Columbia, or if it may be found necessary by the Treasurer in order to carry out the said sale, to adjourn the same, then at any adjourned sale he may deem fit to hold, and the amount of arrears of taxes, interest and costs mentioned in such schedule shall be *prima facie* evidence of the correct amount due.

4. The Treasurer shall, at least five weeks prior to said time of sale, deliver to or deposit in a post office in British Columbia, with the usual postage rate paid in each case, to the known address of the owner, as appears on the last revised assessment roll of said property (which is to be sold for taxes as aforesaid), or to his agent, a notice in writing (or partly in writing and partly printed) of such intended sale, and the time and place of sale. He shall post a notice similar to the said advertisement, in or on the City Hall.

5. The said Treasurer shall not, before effecting any sale hereunder, be bound to ascertain whether any dis-

treas has been made upon the said property, or to inquire into the value of the said lots or sections or parts of lots or sections mentioned in the said schedule.

6. The Treasurer shall in each case add to the arrears of taxes published his charges and the cost of publication.

7. The Treasurer shall at the time and place of said sale, or any adjourned sale, proceed to sell by public auction so much of each and every of said lots or sections or parts of lots or sections mentioned in said schedule, upon which the arrears of taxes, interest, costs and expenses have not been paid as may be sufficient to discharge the said arrears of taxes, interest, costs and expenses and any costs incurred upon such sale.

8. If the purchaser of any lot, section or part of lot or section fails immediately to pay to the Treasurer the amount of the purchase money therefor, or so much as may be due thereon for taxes and costs, the Treasurer shall forthwith re-offer the said property for sale.

9. If the land sells for a greater sum than the taxes due, together with all charges thereon, the purchaser shall only be required to pay at the time of sale the amount of said taxes and charges, and the balance of the purchase money shall be payable within one calendar month after the time of redemption of said land shall have expired without the same having been redeemed within the time limited.

10. If the land will not sell for the full amount of arrears of taxes due and all charges the Treasurer may then and there sell for any sum he can realize, and shall accept such sum as a discharge of the land sold for such arrears of taxes, but the owner thereof shall not be relieved thereby from any liability in respect of any deficiency arising from such sale; nor shall the land so sold be redeemed except upon payment to the Treasurer of the full amount of taxes due, together with all the expenses of the sale, with legal interest thereon, and all taxes that have accrued on said lands since the 31st day of December, 1898; and the Treasurer shall account to the City for the amount realized in such case over and above all charges and the cost of publication, and, in the event of redemption as aforesaid, to the tax purchaser for the amount of his purchase money, with interest as aforesaid, and all taxes he may have paid on said lands since the sale thereof.

11. If at any time appointed for any sale hereunder no bidder appears, or should the bidding in any case be insufficient to satisfy the arrears of taxes, interest and costs, the Treasurer may, in his discretion, adjourn the sale from time to time to such time and place as he may think fit, without further notice, and at any such adjournment the Treasurer, if he thinks fit, sell such land for any such sum as he can realize.

12. The Treasurer shall, after selling any land or improvement or real property, give to the purchaser thereof the necessary certificate provided for by the "Vancouver Incorporation Act, 1900, in that behalf.

13. Immediately after such sale, or any adjourned sale, the Treasurer shall return a list of the arrears of taxes, interest, and costs and expenses satisfied by such sale to the Clerk of the Council, and shall at the same time pay in the proceeds thereof to the credit of the said Corporation at the Bank of British North America.

14. Nothing herein contained to the contrary shall affect the right of the said Corporation to recover the said arrears of taxes with interest and costs.

15. Any sale made under this by-law of any land or real property shall not be deemed to extinguish any liability for taxes due on the said land subsequent to the 31st day of December, 1898.

16. Provided, also, and it is hereby enacted, that whenever at any time during said sale or adjourned sale it may happen that the price for the purchase of any real property mentioned for sale in said schedule is less than the amount of the arrears of taxes due in respect of such lot or section, or part of such lot or section, it may be lawful for the Mayor of the Council of the said Corporation to purchase the said real property for and in the name of and on behalf of the said Corporation.

Done and passed in open Council this 1st day of October, 1901.
